# GRP panel doors

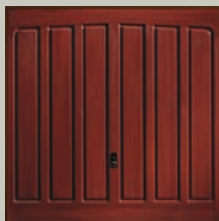

If you want a great-looking, virtually maintenance-free door, GRP is the material for you. GRP garage doors are also a sound investment for the future, such is their quality of manufacture and inherent strength.

# Timber panel doors and side-hinged doors

For some of our customers, there's no substitute for a Timber garage door. They insist on the traditional values of craftsmanship and natural materials. We agree that timber has a warmth and character all of its own.

# Steel sectional doors

A sectional door, as the name implies, is made up from separate sections rather than a single panel. This allows for exceptionally smooth operation both manually and especially when electrically operated.

Limited  
10 year Warranty

Sectional doors allow for close parking inside and out.

# Steel roller doors

The GaraRoll is an insulated roller garage door which is our latest addition to the Garador range of products. Its engineering excellence and quality craftsmanship let this door stand out from other products offered in today's marketplace.

Limited  
10 year Warranty

Place saving construction  
in excellent quality.

GaraRoll insulated roller garage doors come with a door operator as standard. Both, door and operator feature innovative engineering details you have come to expect. The smooth aluminium profile laths are foam-filled, providing thermal insulation, stability and a smooth and quiet door action.

GaraRoll doors are versatile and blend in with almost any homes architecture. Choose from our range of beautiful colours or go for the look of timber with our Decograin finishes.

## The colour range

	Green (based on RAL 6005)
	Red (based on RAL 3003)
	Blue (based on RAL 5005)
	Black (based on RAL 9005)
	Brown (based on RAL 8028)
	Dark blue (based RAL 5011)
	Grey (based on RAL 7016)
	Light grey (based on RAL 7035)
	White aluminium (based on RAL 9006)

Printed colour samples are as accurate  
as printing techniques allow.

## Decograin surfaces

	Light Oak
	Dark Oak

## Window option

Use the daylight in your garage and add  
a window for an individual design.

# Door operators for up-and-over and sectional doors

If you want the ultimate in convenience, our electric operators provide the answer. Arrive home and have your garage door open automatically, accompanied by a welcoming light – all at the touch of a button.

GaraMatic operators and Garador garage doors are a tried and tested unit hardware, perfectly matched and prepared for easy installation.

Limited  
5 year Warranty

**GaraMatic 10**  
**GaraMatic 20**

**GaraMatic 7**  
**GaraMatic 9**

All Garador operators are quick and easy to install, even for retrofit. For your individual convenience you can choose from a wide range of optional accessories which are all made to perfectly work with the operators.
